“Life is a gift, and it offers us the privilege, opportunity and responsibility to give something back by becoming more.”

Resituto “Buboy” Fernandez, lifelong friend and assistant trainer of the World boxing Champion, Manny Pacquiao, intends on donating a brand new Foton L300, 14 seater van to General Santos City National High School.

Fernandez takes pride in being an alumnus of this school where he spent his early teenage days and has somehow molded him into the successful man that he is at present. He further mused that the van could be of great help to the many daily transactions of the school.

Indeed, the entire City Highian family, together with the leadership of the school principal, Mr. Angelito C. Llanos, are all very grateful to Mr. Fernandez.
